

1,200 Indiana foundations hold \$22 billion in assets and give away \$1.5 billion annually.

Meet with leaders of these foundations working to improve Hoosier lives every day.

Indiana Philanthropy Alliance invites you to our annual grantmaker & policymaker

EAST CENTRAL REGION Legislative Luncheon

While Indiana grantmakers distribute \$1.5 billion annually, our role is about more than money. We work to have the greatest impact possible here, but don't—and can't—do it alone. We need the private sector and policy-makers to collaborate for the best ideas and strategies. Please join your fellow legislators and local foundation/community leaders to discuss what philanthropy brings to the table, what issues you are working on, and how we can work together to provide a better quality of life for all Hoosiers.
