IPA is your partner in philanthropy. We want to support you as you and your team work diligently every day to make Indiana—and the world—a better place.

We are deeply grateful for your membership. However, did you know your dues provide only 25% of IPA's entire operating budget? That's where Leadership Circle comes in.

Leadership Circle is a generous group of members that contribute to IPA above and beyond membership dues. These gifts provide you with regional and national networking, educational, and advocacy opportunities to maximize impact, develop your team's skills, and form vital relationships with policymakers.

Please consider joining the Leadership Circle. Your gift may be directed to program areas most important to you—or, you may give general operating dollars, which of course are always needed. We'll recognize your organization on our website, in our newsletter, in our Annual Report, and of course, in our hearts.

You may join the Leadership Circle by completing the information below and returning it with your renewal form. As a reminder, IPA is a 501(c)(3) public charity. Therefore, any amount above your minimum dues may be considered a Leadership Circle gift from your organization. We can also accept tax-deductible contributions from individuals.

**Thank you for your generous support.**
