Priority issues for philanthropic funders across Indiana include education, workforce and economic development, health and well-being, and other issues of local importance. These social investors know tackling complex issues requires collaboration among sectors. This event is your opportunity to be a part of the conversation.

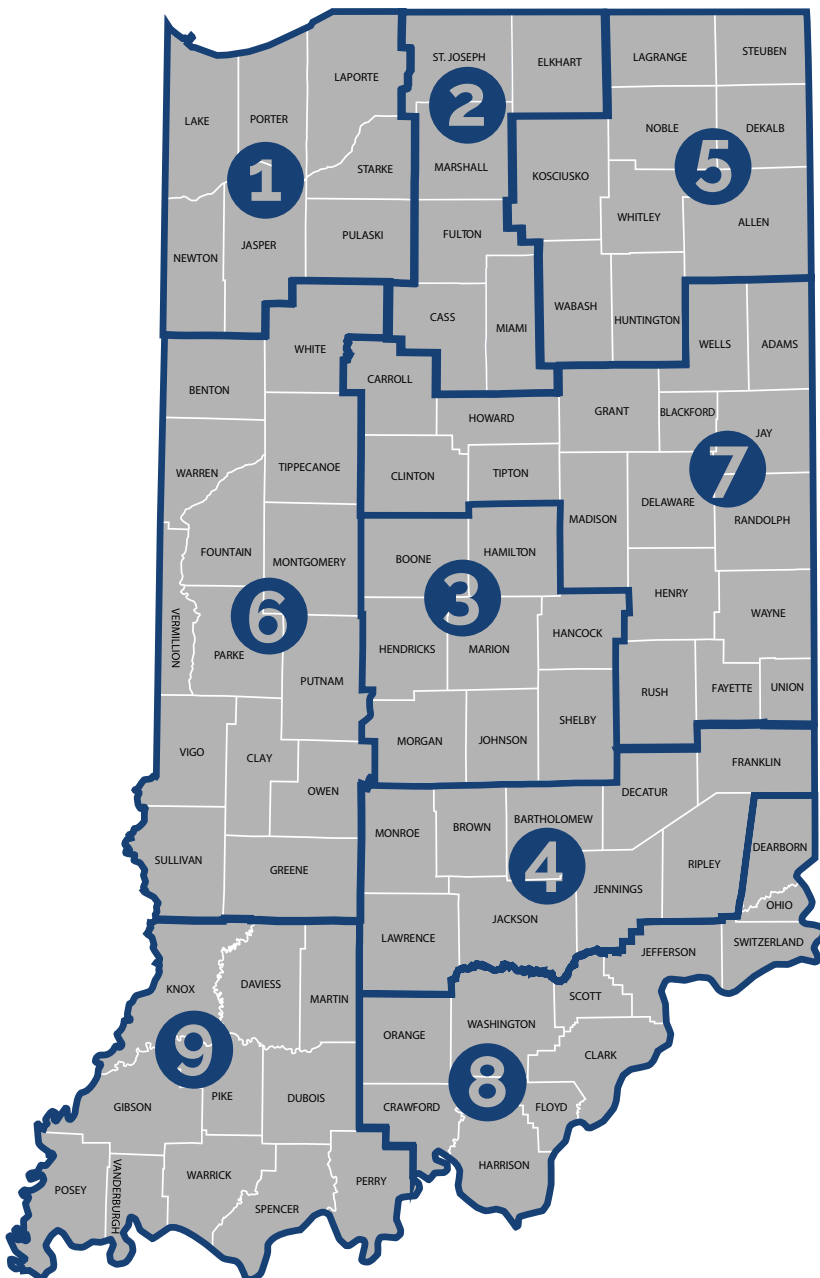

Indiana Philanthropy Alliance (IPA) is a nonprofit membership association representing grantmaking entities and social investors from all 92 Indiana counties. Collectively, IPA membership holds over \$18 billion in assets and awards more than \$846 million in grants each year.
