- Application Approval:** You will receive an email from IPA regarding approval of your grant request, which includes a unique link for completing your grant report.
 - Payment is released at the end of the internship on a reimbursement basis.*
- Reporting & Payment:** Payment is mailed after IPA receives your final report, which is due no later than 30 days after the intern completes their work for the semester.
 - You have the opportunity to adjust your grant request on your report to more accurately reflect the intern's actual hours worked.*
