

Grantmaking 201:

Questions for Implementing a Strategy

- » **Is this something we can or should pursue?**
 - Is this our role?
 - Do we have the needed skills, time, and personal connections?
 - Is this something our board would support?

- » **How can we start this conversation?**
 - » Are there best or evidence-based practice(s) to share?
 - » What data do we need to find and share?
