**Non-Solicitation Policy** | *Indiana Philanthropy Alliance seeks to create a community of shared inquiry characterized by mutual respect and trust. Our programming is meant to foster a free and open exchange of ideas. In keeping with that purpose, all program participants are asked to refrain from soliciting funds, business, or job opportunities at our events. All program related materials are provided for information purposes only and may not be used without permission. Attendee contact information may not be added to mailing lists or used for the purposes of solicitation.*
